12. PUBLIC RELEASE. Any information (classified or unclassified) pertaining to this contract shall not be released for public dissemination except as provided by the Industrial Security Manual or unless it has been approved for public release by appropriate U.S. Government authority. Proposed public releases shall be submitted for approval prior to release.

Direct: ☒ Through ☐ **DIA/DTI-S**

to the Directorate for Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs) for review.
In the case of non-DoD User Agencies, requests for disclosure shall be submitted to that agency.

13. SECURITY GUIDANCE. The security classification guidance needed for the classified effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes; to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract; and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended. (If it is appropriate for the classified effort, attach, or forward under separate correspondence, any documented guidance or instructions referenced herein. Add additional pages as needed to provide complete guidance.)

a. This contract requires access to SCI. The Director, Defense Intelligence Agency has exclusive security responsibility for such information released to the contractor or developed under this contract. DIAM 50-5, Volumes I and II provide the necessary guidance for physical, personnel and information security measures and is a part of the security specifications for this contract. DIS is relieved of all responsibility for all SCI material for information released to the contractor under this contract and held within the contractor SCIF.

b. All contractor personnel to be granted access to all classified information released or generated under this contract must be U.S. citizens granted a final security clearance by the Government prior to being given access. Immigrant aliens, interim cleared personnel or personnel holding a contractor granted CONFIDENTIAL clearance are not eligible for access to classified information released or generated under this contract without the express permission of the Director, DIA.

c. Classified material released or generated under this contract is not releasable to Foreign National without the express permission of the Director, DIA. All FOUO material shall be safeguarded as specified in Chapter 13, Section 6, IMS. (continued)

14. ADDITIONAL SECURITY REQUIREMENTS. Requirements, in addition to FAR requirements, are established for this contract. (If Yes identify the pertinent contractual clauses in the contract document itself, or provide an appropriate statement which identifies the additional requirements. Provide a copy of the requirements to the cognizant security office. Use item 13 if additional space is needed.)

DIA document ODT-S-1040-S; "Contractor Security Procedures Guide," for contract NDA908-91-C-0037.

15. INSPECTIONS. Elements of this contract are outside the inspection responsibility of the cognizant security office. (If Yes explain and identify specific areas or elements carved out and the activity responsible for inspections. Use item 13 if additional space is needed.)

DIA has exclusive security responsibility for any SCI classified information released or developed under this contract and is held within the contractor SCIF.
